

Greenfield

508 Park Avenue East Princeton, IL 61356 (815) 872 - 2261

Services at Greenfield

In existence for over 100 years, the Adeline Prouty Trust has long been recognized for its quality senior care. Current service options at Greenfield include **assisted living in its Licensed Sheltered Care** program and **Independent Living Apartments** in an attached wing. These complimentary services allow residents and family to choose the level of support which best meets their needs and desires.

Assisted Sheltered Care

Family style dining in our spacious dining room, with tableside service for all meals. Fresh fruit and snacks available throughout the day, with scheduled opportunities for free guests. Guests are always welcome by reservation. Special diets provided w/doctor's order.

Full-time activity program provides a variety of options to meet the individual interests of each resident. Included are programs, creative expression, music experience, exercise, gardening, games, socialization & family activities.

Licensed nurses are present 24/7 to handle medication, answer emergencies, administer care prescribed by doctors, schedule appointments, provide pre-procedure and follow-up care, etc.

Independent Apartments

Family style dining in our spacious dining room for the noon meal. Meal plans for morning & evening are available, with scheduled opportunities for free guests. Guests are always welcome by reservation.

Residents are invited to participate in all group activities including programs, creative expression, music experience, exercise, gardening, games, socialization & family activities. Apartment residents privately schedule additional activities.

Wellness checks are offered on a regular schedule. Residents needing personal nursing services may contract with their choice of home nurse agencies.

Assisted Sheltered Care

Nurse aides are available 24hrs/ day to assist residents in maintaining their level of independence. (e.g. Assistance in our whirlpool bath tub.) Bedside and bathroom call system is provided.

Twice each week, personal clothing is gathered, laundered and returned the same day. Linens and towels are provided and laundered.

Rooms are dusted, swept, and bathrooms are cleaned on a weekly basis.

Transportation to appointments within Princeton City limits is provided at no charge. Transportation to off campus activities is also provided.

24 hour staff secure buildings in the evening and monitor entrances and hallways with video cameras and remote door locks. Guests are expected to sign in and out at the nurse's station.

All utilities except telephone are provided, including Cable TV. Wireless internet access is available in our public lounge. Garbage and recyclables are collected at resident's room.

Beautician, personal trainer, podiatrist, and audiologist services are provided by outside contractors visiting our facility.

Resident's personal mail is delivered to their room around noon each day.
